JOHN McCRILLIS

## JOHN McCRILLIS

John McCrillis by reason of ill health resigned as Clerk of the Superior Court for Sullivan County to take effect January 10, 1935, and his son, John W. McCrillis, was appointed his successor.

Mr. McCrillis had served as Clerk of Court for this County for over 48 years, having been appointed on March 6, 1886, three years after his graduation from Dartmouth. His term of service was longer than that of any other clerk of court in the history of the state, and probably longer than that of any other county official. He was admitted to the bar shortly after his appointment, and is today the senior member of the Sullivan bar, but he has not engaged in general practice because of constitutional restrictions on the Clerk of Court.

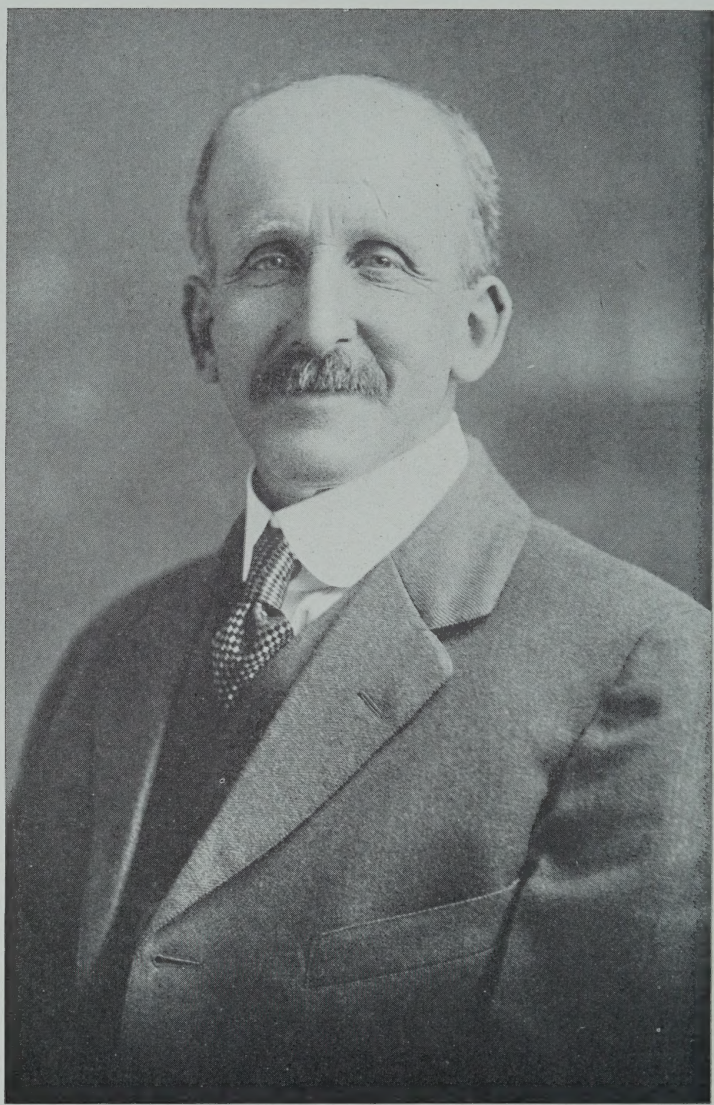

The service of John McCrillis in the important office he so long filled has been marked by a devotion and ability which have made his clerkship a model of efficiency in the estimation of the scores of judges who have held court in Sullivan County during the past half century.

At the time Mr. McCrillis was appointed Clerk, the printed Court Docket contained 78 cases; the latest one has 278 cases.

The Argus-Champion of January 10th, contained the following editorial tribute:

"It is a truly remarkable record that Hon. John McCrillis completes in laying down the duties of Clerk of the Superior Court for Sullivan County after a service of over 48 years, not only in the time covered, but in the splendid character of his work as an official. He has found time outside his court duties to be a constructive force in Newport's civic and business affairs for the period of nearly a half century, and it is the hope of all our citizens that he will continue to serve the community in various interests for many more years to come."

FREDERICK W. AIKEN

## FREDERICK W. AIKEN

Frederick William Aiken, 72, highly esteemed native of Newport, died at the Carrie F. Wright Hospital, January 22, after an illness of seven weeks.

Mr. Aiken was the son of Frederick and Elmira (Carr) Aiken and was born February 17, 1862 on the old homestead farm on Belknap Avenue, where he lived all his life. Mr. Aiken was a graduate of the Newport High School, Class of 1881, and in business life his principal occupation was farming and lumbering, but his diversified interests led to public life, in which he was a prominent figure for many years.

Mr. Aiken served three years as selectman and was chairman of the board in 1900 and 1901. The following year he was a representative to the New Hampshire General Assembly. He was the third oldest trustee of the Newport Savings Bank. He retired April 1, 1933 from the Board of County Commissioners, upon which he had served most faithfully and efficiently for 22 years, his latter years as chairman of the board. His invaluable service rendered to the town and county will long be remembered, and his welfare work and philanthropies among the poor and afflicted were most noteworthy. His love for little children was deeply expressed and his kindness in materially alleviating the pain and suffering of his fellowmen, wherever and whenever possible, were characteristics of this son of Newport throughout his lifetime.

On February 24, 1891, Mr. Aiken married Miss Katherine E. Herrick. This union was blessed with two sons, Charles Francis and William Frederick and one daughter, Mrs. Arlene Mae Erickson.

Mr. Aiken was closely affiliated with the South Congregational Church. He was a member of Newport Lodge, Loyal Order of Moose. He was also a past President of the Sullivan Farm Bureau.

## Commissioners' Report

---

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Sullivan County, herewith present the annual report of the County Commissioners, the County Home and House of Correction, Treasurer, Auditors, Solicitor, Clerk of Court, Sheriff, Chaplain, and Physician of the County Home for the year ending December 31, 1934.

The County Home continues under the management of Mr. and Mrs. L. M. Grout, Superintendent and Matron. Nothing but praise is in order for their efforts, and we take this opportunity of extending our thanks for their splendid work at the Home. We also desire to express our appreciation for the excellent services of the Chaplain, Physician, and all connected with the Home.

Several minor and two major improvements have been made at the Home. The first major improvement was the completion of the Water Project which was started in 1933. The payroll for the labor was furnished by C. W. A. and F. E. R. A. entirely, the County supplying the money for supervision, engineering, materials, and trucking. The total cost to the County for the year 1934 was \$4,079.73. This includes the water-proofing of the reservoir which was not contemplated at the time of the Delegation meeting, March 1st, 1934. The project was completed in October and has now been in operation three months and is most satisfactory in every way.

The second major project was the installation of the sprinkler system in the new building and addition to the hydrant service around the buildings. This was completed in November at a cost to the County of \$3,100 for the sprinkler system and \$750 for the hydrant extension. At the completion of these two major projects, the insurance on all buildings at the County Home was completely readjusted, some insurance was added on the old buildings, at a yearly saving of approximately \$600 in premiums, and at the same time giving additional fire protection.

Outside Poor Relief continued to be supervised by the State during 1934. The money was supplied as follows: Government and State approximately \$72,000, Sullivan County \$24,000. All supervision was paid with State and Government funds.

It is our hope that funds will be available, with local administration, to assist the County financially to care for its outside poor.

In closing, we wish to thank the Overseers and Selectmen in the several towns for their cooperation in conducting county affairs, and to all people and organizations that have interested themselves in the welfare of our county dependents, we desire to express our appreciation.

Respectfully submitted,

OLIVER A. PUTNAM,  
LEO L. OSBORNE,  
GEORGE C. WARNER.

## Report of Superintendent and Matron

---

To the Honorable Board of Commissioners of Sullivan County:

We respectfully submit the annual report of the County Home, Hospital, and House of Correction for the year ending December 31, 1934.

There have been no particular activities in the line of construction, etc., with the exception of an addition to the cow-barn, consisting of four sections and located west of the main barn, connected with it by a covered stairway. This addition will relieve congestion in the cow-barn, where we have five or six more milking-cows than previously.

Our expenses were somewhat higher than estimated but the difference was offset by our income, which was about twice the estimate and higher than in any previous year.

To the different groups and church organizations which have given entertainment and pleasure to our people, we extend our thanks.

Respectfully submitted,

L. M. GROUT, Superintendent,  
FLORENCE D. GROUT, Matron.

## Report of County Solicitor

---

February 18, 1935.

To the Commissioners of Sullivan County:

Gentlemen:

I submit herewith a report of my duties as Solicitor for Sullivan County from January 1, 1934 to January 1, 1935.

At the February term of Court there were seven indictments obtained. These included larceny, obtaining money under false pretenses in two cases, a rape case, armed robbery, and murder. Convictions were obtained in all cases except the murder case. A special hearing was had out of term on the murder case which lasted ten days. The respondent was acquitted.

In the September term there were several minor cases and there was also another rape case. One of the respondents in a burglary case escaped the County Jail after assaulting the night watchman. He was picked up in New Mexico and is now in custody awaiting disposition of his cases.

During the year I have been engaged in several non-support cases, violation of the liquor laws, petty thefts, and assaults, and numerous juvenile cases as well as assisting in the disposition of dependent and delinquent children. It is my opinion that a lot could be done in this county in the matter of taking care of delinquent children.

I acknowledge the help received from the various enforcement agencies in the county and state and find that the year has given me a good deal of practical experience.

Respectfully submitted

JOHN H. LEAHY, County Solicitor.

## Chaplain's Report

---

To the Commissioners of Sullivan County:

Dear Sirs:

My services at the County Home have been a pleasure, and it was with regret that I completed my work there the last of September.

During the year I had held services alternate Sundays, the first part of the service being given to singing, accompanied by violin and piano. These services were held at three o'clock, the remainder of the afternoon being devoted to calls at the hospital.

The kindly courtesy extended by Superintendent and Mrs. Grout and all others connected with the Institution are most gratefully remembered.

Respectfully submitted,

AGNES G. ELLINGWOOD, Chaplain.
